## INTRODUCTION

*This is a great boat! The vessel is well maintained by a professional yacht management company. With the exception of a few trips the boat has always been in fresh water. This Sundancer has the Bravo III outdrives giving the owner a little more room to move around in the engine compartment.*

## ACCOMMODATIONS

The vessel has the typical Sea Ray 32' layout with a few nicer appointments. As you enter from the swim platform there is a u-shaped seating area with teak table to starboard. To port we have a wet bar and refrigerator. At the helm two bolster chairs and additional settee on the port side before entering the cabin. Coming down four steps you enter the main salon with head/shower area immediately to port. To the stern is the guest stateroom consisting of a flat screen TV on the port wall, a u-shaped couch that converts into a full size bed, a mirror that stretches the width of the bed, and accent lighting in both corners. Going forward to the starboard is a corian covered table and couch that runs the salon. To port is the galley area with excellent wood grain cabinetry. Underfoot is a berber carpet with two oversized storage compartments. The master stateroom is forward with queen size bed. Both staterooms are closed off with privacy curtain easily changed to add your own personal touch.

## GALLEY

Lengthy corian countertop with molded sink with cover. There is also a sunken Euro Kera 2 burner glass cook top also with a cover. The cabinets top and bottom provide ample storage space. Above the cook top is a Whirlpool EZ Choice automatic microwave. The refrigerator/freezer is a Norcold model DE0051.

## MASTER STATEROOM

The master stateroom is made up of a queen size bed with a mirrored head board. There is a hanging closet on the starboard side. To port is the entertainment center that also serves the salon. Within the entertainment center is a pull-out and swivel Toshiba 13" TV/VCR combo with AC/DC power supply.
