INTRODUCTION

This is one of the best 340's on the market now. It has been professionally maintained since out of the box. Some great extras are the extended hydraulic swim platform and bow thruster. This is one of the best handling boats I've been on, with the bigger 8.1 engines and bow thruster there's really no place you can't put her. This 340 looks and performs like a dream. This broker can also handle any deliveries.

DETAILED VESSEL WALKTHROUGH

Entering from the extra large swim platform you pass through the cockpit door and find the large u-shaped couch that doubles as a sun pad by removing the teak table, on the starboard side. To port we have the wet bar and refrigerator. The helm station to starboard sports double seating both with bolsters as well as the extra passenger seat to port. Going down stairs you enter the very roomy salon with rich wood grains, leather couch, and large flat screen TV. The head is to port. The galley has tons of storage, Corian countertops, and stainless fixtures. The v-berth is queen size and is closed off with curtains. The aft cabin is also closed off with curtains and has a full beam u-shaped leather couch that changes into a full size bed. The aft cabin also has its own DVD/TV combo.

DETAILED BROKER'S COMMENTS

Great boat. Great size, great comfort, great speed and handling. With the exception of a few trips the boat has always been in fresh water.
